HIA Competency Training – Quality Assuring Health Impact Assessments (HIAs)

Assignment

We require you to individually undertake a review of a Health Impact Assessment report. This assignment consists of three parts:

Part One

Using the Ben Cave Associates (2009), 'Review package for Health Impact Assessment reports of Development Projects' and associated templates quality review and grade the report provided.

Part Two

Provide a summary of your findings. This should include comments on the content and tone of the HIA report.

Part three

Write a short reflective piece about the process you took and the learning you gained from the experience of quality reviewing the HIA report.

The word count for part 2 and 3 is a combined maximum of 1,000 words.

Submission of Assignment- Friday 29th July

Send your completed HIA assignment to XXXXX and XXXXXX by 5pm on XXXX . Submissions sent after that date will not be accepted. Submissions will be acknowledged by email ONLY if requested.

It must be sent in PDF format and include your name, title and the name of the course.

We will complete marking and feedback by the end of August and notify attendees then.

Certification

If the assessors are satisfied with the competency demonstrated the successful delegate will be issued with a certificate of Competence for Quality Assuring HIA. The assessor's decision is final.

Delegates whose assignment does not meet the required standard will be issued with a Certificate of Attendance for the day.

Unsuccessful delegates may be offered an opportunity to resubmit their HIA Review assignment.
