

Placemaking, Health & Wellbeing Workshop

Thursday 30th January 2020
10:00-15:30

Following the great success of the 'Reconnecting Health and Land Use Planning in Wales workshop' we are pleased to invite you to attend the 'Placemaking, Health & Wellbeing' Workshop which will be delivered by Public Health Wales.

The workshop aims to improve, create and plan healthy sustainable environments through shared public health and spatial planning agenda. It also seeks to highlight best practice and explore models and opportunities for sustainable co-ordinated future partnership working.

Audience: Spatial planners, policy makers, academics, public health practitioners, third sector, public health specialists and NHS.

If you would like to book a place on the workshop please register [here](#).

Please note that places are limited and will be allocated on a first come, first served basis.

Arrival refreshments and a light lunch will be provided - please inform us of any dietary requirements in advance.

Floor 2, Life Sciences Hub, Cardiff Bay, CF10 4PL
